Alternatives Considered	Council may defeat the Bylaw and not proceed with the project until alternative financing options can be explored.								
Implications of Alternatives	<p><u>Strategic Alignment:</u></p> <p>Operational Excellence – Deferral of the project until alternative funding options can be explored would increase the County’s available debt limit, leaving room for other projects. However, it would defer the approval of a new subdivision.</p> <p><u>Organizational:</u></p> <ul style="list-style-type: none">Administration would not implement the project through the 2022 capital plan. <p><u>Financial:</u></p> <ul style="list-style-type: none">If debt funding is not supported, an alternative funding source, such as a draw from existing reserves, would be necessary.
