Proposed Motion	That Council give first reading of Bylaw 1593/22.
Administrative Recommendation	Administration recommends that Council give first reading of Bylaw 1593/22 to allow it to proceed to Public Hearing and receive feedback from affected parties.
Previous Council / Committee Direction	<p><u>December 14, 2021 Regular Council Meeting</u> Motion 560/21: That Council approve the Villeneuve Airport Area - Area Structure Plan (VAA-ASP) Communications and Engagement Plan, provided as Attachment 1, as a foundation for the delivery of stakeholder communications and engagement for the initiative.</p> <p><u>November 30, 2021 Regular Council Meeting</u> Motion 528/21: That Council authorize the commencement of an Area Structure Plan and associated statutory plan amendments for the study area, based on recommendations within the Villeneuve Airport Area Master Plan.</p>
Report	<p><u>Background Information</u></p> <ul style="list-style-type: none"> • To meet the goals, objectives, policies, and aspirations of the Villeneuve Airport Area Master Plan (VAAMP), Sturgeon County undertook a comprehensive review of the Calahoo Villeneuve Sand and Gravel Extraction Area Structure Plan (CV S&GE ASP) to account for the new planning area of the Villeneuve Airport Area – Area Structure Plan (VAA-ASP). • In conjunction with the adoption of the new Villeneuve Airport Area - Area Structure Plan, the CV S&GE ASP will no longer apply to the Villeneuve Airport Area. As such, Figure 7-1 of the CV S&GE ASP will be updated to instead refer to the Villeneuve Airport Area - Area Structure Plan for policy direction. • Both the provisions of the Land Use Bylaw and the new policies in the VAA-ASP will provide guidance for natural resource extraction in the Villeneuve Airport Area.

- As noted in the Villeneuve Airport Area – Area Structure Plan, the following principles for natural resource extraction will apply to the Villeneuve Airport Area.
 - Support existing natural resource extraction operations in the Plan area.
 - Support new applications for natural resource extraction operations in the Plan area, where appropriate.
 - Guide the transition of areas depleted of natural resources to align with the Development Concept for the Plan area.

External Communication

- On November 30, 2021, Council approved the Villeneuve Airport Area Engagement and Communications Plan (Engagement Plan) to provide an open line of communication between the County and interested parties.
- A deliverable within the Villeneuve Airport Area Public Engagement and Communications Plan was to provide a “What We Heard Report”. This document was to outline feedback provided by developers, landowners, and the public.
 - As part of the process, Administration has conducted public engagement sessions on February 17 and May 2 for the purpose of providing information and gathering feedback regarding the project. Sessions were advertised in newspapers, road signs, social media and project website.
 - A “What We Heard Report” will be available online in draft for public viewing shortly after first reading of Bylaw 1593/22. A finalized “What We Heard Report” will be provided upon the completion of the respective Public Hearings and any comments resulting from the Regional Evaluation Framework (REF) submission to the EMRB. Consultation feedback provided to date has been considered and implemented (where applicable) within the respective plans.
- If the bylaw receives first reading, it will proceed to Public Hearing. Notification of the Public Hearing will occur in accordance with the advertising requirements of the *Municipal Government Act*.

Implication of Administrative Recommendation

Strategic Alignment:

Planned Growth – Council’s previous approval for progression to the development of Area Structure Plan(s) for the Villeneuve Airport Area is a direct complement to Council’s “*Planned Growth*” priority, in addition to all other priority areas of Sturgeon County’s Strategic Plan. The project is also

	<p>directly referenced as a priority within the County’s Corporate Business Plan.</p> <p><u>Organizational:</u> Administration has capacity to coordinate the advertising and required information for the Plan amendments with Communications.</p> <p><u>Financial:</u> Advertising costs of the Public Hearing, to be funded from approved administrative budgets.</p>
Alternatives Considered	That Council choose not to give first reading of Bylaw 1593/22.
Implications of Alternatives	<p><u>Strategic Alignment:</u> If Council chooses not to give first reading of the Bylaw, the Plan will not proceed to Public Hearing or further readings, and the County’s statutory plans will not be aligned with regional policy.</p> <p><u>Organizational:</u> Administration will work with Council to seek alternatives to the proposed Bylaws.</p> <p><u>Financial:</u> None.</p>
Follow up Action	Coordinate the advertising of the Public Hearing (Planning and Development Services, June 2022).
