PURPOSE AND NATURE OF YOUR REQUEST

Please check that which applies to you:

☒

x I/we would like to make a presentation at the **Council Meeting**

Please provide the details of your request:

Johnny's Store would like to make an appeal to the Council to have approval for use of the existing parking lot, which is situated on county land, in front of our store in Namao. Along with our commercial neighbours, church, community hall, schools and other services, we have utilized this public asset for parking for 121 years and would continue to be good stewards of this shared resource.

We are also appealing to the county to waive the requirement for the Engineering Survey of the county land, which was requested of us by the County in order for us to obtain our business permit. Conducting an Engineering Survey of the county land would impose a burden that would be difficult for us to manage, as we are a small, family-owned new business. Relief from this requirement would be greatly appreciated so that we can open our store in a timely manner.

Our store provides historical value to Sturgeon County, one which will continue offer economic, social and community opportunities to residents as well as attract others to the county through tourism and cultural interest.

We appreciate the Council's consideration and welcome any questions.

(If more space required, please attach additional information)

Will your presentation include any visual aids (ie: PowerPoint Presentation)? If so, please specify. Presentation materials with embedded videos are incompatible with audio equipment and cannot be accepted.
